

BREAKING DOWN CHARACTERS

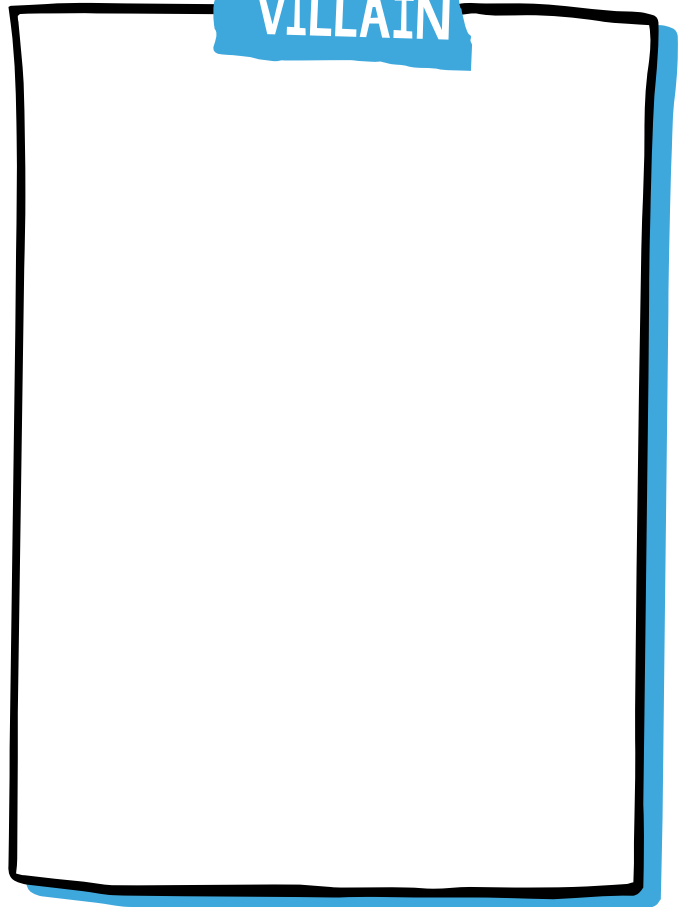

Most Good Guys don't start off as hero's and most Bad Guys aren't all bad. That's what makes them feel human to readers.

Think of two characters from a book you've read recently and write down as many traits or facts about them as you can remember. Circle the part you think is most important about each. Below, compare them to see how they are alike and differ. Be prepared to discuss your answer.

HERO

VILLAIN
