LET'S DRAW SMUDGE!

Grab a separate sheet of paper and discover the art of drawing Smudge with these simple steps!

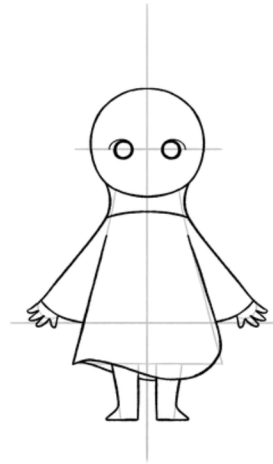

Step 1

Create a grid using one vertical line and two horizontal lines. Lightly draw a circle within.

Step 2

Lightly draw the outline of Smudge's clothes using straight lines. Draw their legs.

Step 3

Darken the outline of Smudge's head then add curved lines to the clothing. Add feet, eyes, and hands.

Step 3

Add eyebrows, a smile, and a curved line to Smudge's face and collar.

Step 4

Draw various circles that will make up Smudge's ink hair.

Step 5

Connect the circles, erase the light lines, and darken the final lines!
