SO YOU WANT TO BE AN AUTHOR

Start your journey to becoming an author by filling in the blanks below with the kind of skills an author needs, the personal traits, experience, and steps an author might take. Think about your favorite author and why. What's your dream job? What type of author do you want to be?

The form consists of seven separate writing boxes, each with a blue tab at the top or bottom containing a label. The boxes are arranged in a scattered, overlapping layout. The labels are: 'Skills' (top-left), 'Steps' (middle-left), 'Favorite Author' (bottom-left), 'Dream Job' (bottom-center), 'Experience' (middle-right), 'Personal Traits' (top-right), and 'Type of Author' (bottom-right). Each box is white with a blue border and a light blue horizontal line at the top.

Write a brief statement about what makes a good book hard to put down.
