The page is framed by a thick black border. At each of the four corners, there is a small, stylized cartoon fox character. The foxes are white with black outlines and are looking towards the center of the page. The page contains several horizontal lines for writing. The first five lines are at the top, followed by a paragraph of text, and then another seven lines at the bottom.

3. Choose one aspect of the setting that you find particularly interesting or unusual and write a creative description explaining why this detail stands out to you.
