THE SNOWMAN MYSTERY

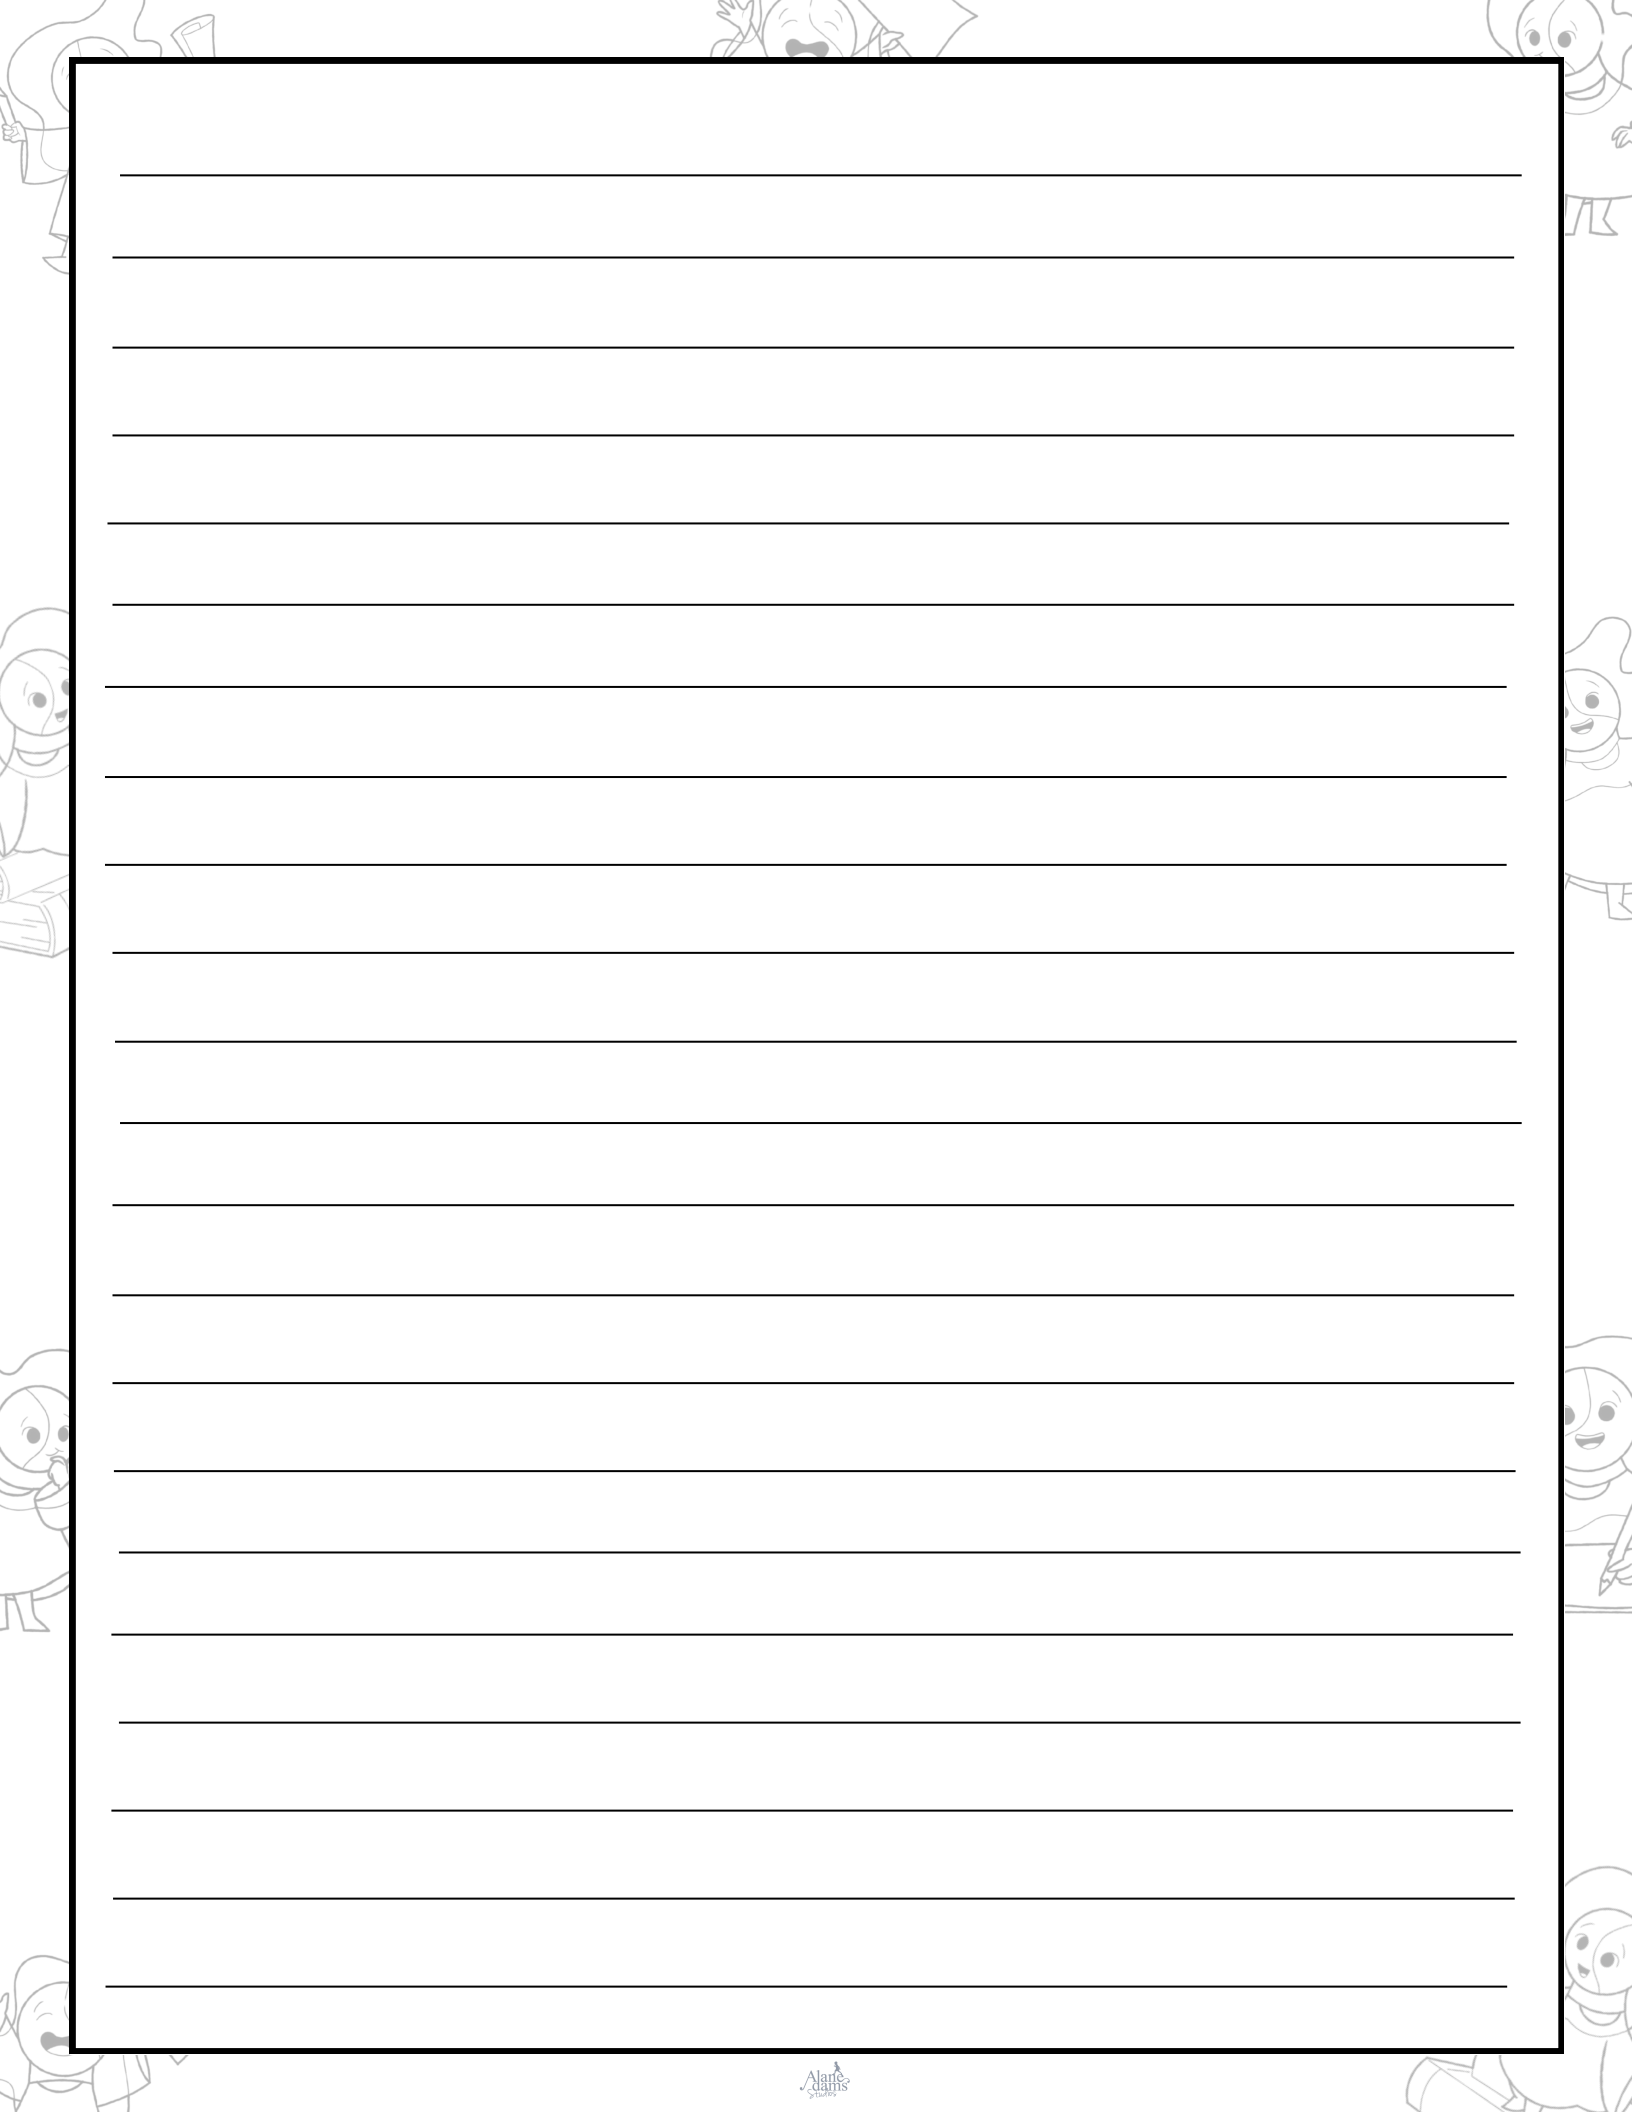

It's January, and something strange is happening—a snowman in the town square is melting, even though it's freezing outside! Your task is to write a story about this mysterious event.

Describe the Snowman: Start by describing what the snowman looks like and why it's special to the town.

Explain the Mystery: Why is the snowman melting when it's so cold? What clues do people notice? Is there something odd nearby?

Solve the Problem: What happens next? Does someone or something fix the problem? Or is the mystery left unsolved?

Now, Write Your Story! Use your answers to these questions as a guide and write the whole story.

A large rectangular area with a thick black border, containing 20 horizontal lines for writing.
