## FINISH THE STORY!

Spring is a great time to start something new! Use the story starter below and map out the rest of a new story.

**On a sunny day, just after a spring rain shower, Lily was walking through the park and saw a beautiful tree. It was full of blue and white flowers. When a gentle wind started blowing through the tree's branches, the strangest thing happened...**

What strange thing happens when the breeze blows through the tree?

---

---

---

What three things happen to Lily after that strange event? How does she solve each problem?
