## NEW STORY RECIPE

Characters learn to be heroes by solving a big problem. Match each character below with a problem. Then, come up with a way for the character to solve their new problem.

Magic elevator takes them to the past, but they can't get home

Baseball hat helps them talk to animals, and the zoo animals ask for help

Dragon protects the door to a magical world, but it won't let creatures out

Book of spells lets all the villains out of their stories
