

Name: _____

READING EXERCISE: READING COMPREHENSION

Being able to read is a great skill but understanding what you read is even more important. A great way to master reading comprehension is by explaining what you've just read.

Pretend you're a student at the Tarkana Witch Academy. Write a letter to your best friend explaining what happened in class today.

Dear _____,

Today in History of Witchery _____

Then _____

But finally _____

Yours truly, _____
