SMUDGE'S THANKSGIVING ADVENTURE

Use the story starter to write a fall adventure story for Smudge that's full of food, fun, friends, and maybe a little magic.

At the Thanksgiving parade, Smudge was watching all of the balloons and floats go by with Dot. Dancers waved, and the marching bands played cheerful songs. Suddenly, the air smelled like pumpkin pie! A strong wind came down the street, swirling the leaves around. Mixed in the leaves was a little magic, and it made the balloons come to life!
